3.3 CAN A SPECIAL REQUEST BE GUARANTEED?

Regrettably, no. If you have a special request, please give details in writing to your travel agent at the time of booking. Whilst we and our suppliers will endeavour to meet reasonable special requests, we regret we cannot guarantee that we/the supplier will be able to do so.

Not meeting any special request for any reason will not be a breach of contract. If a special request can only be met at an additional cost, that cost will either be invoiced prior to departure or will be payable locally. Unless specifically agreed by us in writing at the time of booking, we cannot accept any booking which is conditional on a special request being satisfied. Such bookings will be treated as "normal" bookings subject to the above comments on special requests.

3.4 CONSUMPTION OF ALCOHOL ONBOARD

The minimum drinking age for all alcoholic beverages on all Royal Caribbean International ships depends on the location of the ship at the start of the cruise itinerary. For ships originating in Europe, Asia, Australia, New Zealand, and South America, the minimum drinking age limit is eighteen (18). For ships originating in North America and Canada, the minimum drinking age is twenty-one (21). At private shore-side resorts such as Labadee and Coco - Cay and when in U.S. ports, the minimum drinking age is twenty – one (21). We reserve the right to vary minimum age limits without notice where local laws require or where deemed desirable or necessary.

If a guest reaches a birthday that will change their adherence to our alcohol policy, they may visit the Guest Relations Desk and on showing their passport as proof of age, their records will be updated to allow them to purchase and consume alcohol. Royal Caribbean International reserves the right to limit or refuse alcoholic beverages to be brought aboard the ship

Please note that within the territorial waters of some countries on your itinerary or based on your embarkation port, the onboard shops may be closed or alternatively restrictions may be imposed on some items available for purchase or additional VAT added dependent on that country's VAT rules. Restrictions apply and this policy is subject to change without notice. Guests are allowed to bring aboard, on embarkation day only, 2 bottles (75cl) of wine or champagne for consumption within their stateroom. To consume these in any public area a corkage fee will apply. Alcoholic beverages that are purchased in ports of call or from onboard shops will be stored by the ship and delivered to guest staterooms on the last day of the sailing. Security may inspect containers (water bottles, soda bottles, mouthwash, luggage etc.) and will dispose of containers holding alcohol. Royal Caribbean International® Guest Conduct Policy may be enforced, up to and including disembarkation, if a guest violates any alcohol policy. Guests under the age limits above will not have alcohol returned to them. Guests who violate any alcohol policies, (over consume, provide alcohol to people under stated age above), demonstrate irresponsible behaviour, or attempt to conceal alcoholic items at security and/or luggage check points or any other time), may be disembarked or not allowed to board, at their own expense. In accordance with our Guest Vacation Policies. Royal Caribbean International® reserves the right to revoke or otherwise restrict drinking privileges of any guest, regardless of age. Additional policies for groups are located in the Appendices to the Travel Agent Guide and are enforced without exception. Applicable regulatory age restrictions apply while the ship is in port and until the vessel enters International waters.

3.5 WHAT ARE ONBOARD SERVICE CHARGES/GRATUITIES?

On all our ships, it is customary to offer service charges/gratuities to staff members who you feel have given you good service and personal attention. An approximate daily total of €9.50 per person, per day for stateroom guests (€11.00 per person, per day for suite guests) per cruise day, will cover stateroom and dining room service for adults and children.

We do offer the option to pre-pay your onboard gratuities in advance of your holiday. If you wish to decline this service, Royal Caribbean will automatically add a €9.50 gratuity (€11.00 for Suite Guests) to your onboard charge (SeaPass) account on a daily basis. Additionally, a service charge of 15% for all beverage bills and Spa services is automatically added to your SeaPass account.

Please note: service charges are discretionary and therefore the amounts can be adjusted up or down or removed by you via Guest Services when on board. Prepaid service charges will be calculated at the time of booking. Please note: that some of our cruise vacations call exclusively upon EU ports of call and for such cruises we are required to charge.

VAT (value added tax) on certain onboard goods and services depending on the VAT regulations of the home port country. Such VAT is charged on goods and services at the point of sale and is subsequently paid over to the home port country. Non-EU residents may be able to reclaim VAT paid on physical goods when they depart from the EU, normally at the departure airport.

3.6 WHAT DO I NEED TO DO ON THE LAST NIGHT OF THE CRUISE?

• Pack your bags and place them outside your stateroom door by midnight. Your stateroom attendant will give you coloured tags for each piece of luggage. Please put your name and home address on each tag and remove all loose straps from your bags. Carry fragile and valuable items (such as jewellery, cameras, medication, etc.) with you.

It is our guests' responsibility to remove all of their belongings from their stateroom when they depart their cruise. If an item is left onboard, whilst we will assist you in trying to recover the item, if we are unable to do so, then we cannot be held responsible and we will refer you to your travel insurance to make a claim for the item. Please note that items left behind may be destroyed.

3.7 WHAT IS YOUR SMOKING POLICY?

Please note: that smoking is not permitted in staterooms or on any balcony/veranda. For the comfort of our guests, smoking is prohibited onboard most public areas of our ships. However, to provide an onboard environment that also satisfies smokers, we have designated smoking areas and designated open-air decks, normally on the Starboard side. Oasis Class smoking policy: Smoking is only permitted in designated areas and outdoors on the Port Side of the ship (please contact the Guest Services for full details).

Smoking is not permitted in any dining venue, theatre, hallway or corridor. Smoking is also not permitted inside any stateroom or on Oasis Class Boardwalk or Central Park private balconies.

4 ADDITIONAL INFORMATION

4.1 WHAT IF I AM TRAVELLING WITH A GROUP?

Please consult your travel agent for deposit, payment, cancellation and other information. Terms and conditions for those travelling in a group are different to those which apply to individual bookings.

4.2 WHAT ABOUT GUESTS WITH SPECIAL NEEDS?

You must ensure that you are medically and physically fit for travel, and that such travelling will not endanger yourself or anyone else. At the time of booking (or as soon as possible if the condition arises after booking) you must tell your Travel Agent (or us if booking direct) in writing about any assistance or requirements that you have relating to accommodation, seating or services on your holiday including medical assistance or a requirement to bring medical equipment onto the cruise. We also ask that you notify us of any medical or physical condition which will or may require medical treatment or attention during your holiday or which may or will affect your holiday in any way (including your use of any services or facilities) in order that we can prepare accordingly and make all reasonable efforts to accommodate you in a safe manner. Please provide as much information as possible. Except as set out below, our ships have a limited number of accessible staterooms, equipped with features designed to help guests with a mobility disability or other disability who may find a non-accessible stateroom restrictive. Guests who book these staterooms must sign and return the Guest Special Needs Form we provide in order for us to ensure that they are only allocated to those guests who have a genuine medical requirement for them. We reserve the right to reassign guests to a standard stateroom where there is no genuine medical need for an accessible stateroom or cancel the booking, in order to ensure the above. Please contact your travel agent or our reservations team for further information. Please be aware that some ports of call may not have an infrastructure capable of providing accessible access or transport for disembarking the ship. Guests who use wheelchairs must provide their own collapsible wheelchair and may find certain areas of the ship inaccessible. If you would like to bring a motorised wheelchair or scooter onboard you must complete the Guest Special Needs form we provide and then send it to our Special Services department by email at specialservicesUK@rcci.com at time of booking to provide the dimensions as size limitation may apply and we may not be able to accommodate this request. Certain conditions (for example, use of tenders or some shore excursions) may prevent guests with wheelchairs from going ashore at certain ports of call. Guests affected by a disability or medical condition must be self-sufficient or travel with someone who can provide all necessary assistance. We regret we must reserve the right to refuse to allow anyone to travel in accordance with EU Regulation 1177/2010. This includes a refusal in order to meet safety requirements established by international, union or national law or those competent authorities, or where the design of the ship or port infrastructure (including terminals) and equipment makes it impossible to carry out the embarkation, disembarkation or carriage of a guest in a safe or operationally feasible manner.

4.3 ARE THERE ANY AGE RESTRICTIONS?

On our ships which are sailing from ports in Europe, Asia, South America, Australia or New Zealand no person under eighteen (18) (a "minor") may sail on any cruise holiday or have a stateroom on his or her own unless accompanied by a parent or a legal guardian or authorised person who is over the age of eighteen (18).

Please note, that for any of our ships sailing from a port in the US or Canada, the minimum age for the above will be twenty-one (21)

No guest under the age of twenty-one (21) will be booked in a stateroom unless accompanied by an adult twenty-one (21) years of age or older, except for minors sailing with their parents or legal guardians in adjacent staterooms. Any minor who is not travelling with at least one of their parents/legal guardian(s) will only be permitted to board the ship and undertake the cruise if accompanied by a person(s) over the age of twenty-one (21). For minors aged 18 or under at the start of the sailing, who are not travelling with at least one

of their parents or a legal guardian, written authorisation to travel from a parent/legal guardian must be provided.

Minors travelling with an adult(s) who is not the parent or legal guardian of any child travelling with them are required to present the minor's valid passport and applicable visa (or certified copy of minor's birth certificate) and an original legal affidavit or notarised letter signed by at least one of the minor's parents/ legal guardians. The letter must authorise the travelling adult to take the minor(s) on the specified cruise and must authorise the travelling adult to supervise the minor, sign applicable sports waivers and permit any medical treatment that must be administered to the minor which in the opinion of the treating doctor needs to be carried out without delay. A letter can be legally affirmed or notarised by a practising solicitor/lawyer, notary public or commissioner for oaths for a fee. If such evidence is not produced, the minor(s) concerned will not be permitted to board the ship or undertake the cruise. We will not be responsible for any costs, expenses or losses suffered as a result either by the minor affected, the person(s) paying for their cruise (if not the minor him/herself), or any persons travelling with the minor who decide not to continue with the holiday as a result of the failure to produce a letter of authorisation as set out above. We will not pay any compensation or give any refund to any minor who we have not permitted to board the ship, any person paying for the minor's holiday (if not the minor him/herself), or any persons travelling with the minor who decide not to continue with the cruise themselves as a result of the failure to produce a letter of authorisation.

Please note that parent(s)/legal guardian travelling with a minor who has a different surname to the parent(s)/legal guardian, will be required to produce official proof such as a full birth certificate/divorce papers etc to prove that they are the parent(s)/legal guardian of the minor(s) concerned.

Individual staterooms can be booked by married couples whose minimum age is sixteen (proof of marriage is required at time of booking). On board there are certain facilities where each entry is restricted by age. Persons using the Elemis® AquaSpa® must be over the age of 18. Full details of onboard facilities with age restrictions are contained within the Daily Programme, which is available from the Guest Relations Desk.

The minimum age for infants to sail is six (6) months, as of the date of sailing and twelve (12) months, as of the date of sailing for Transatlantic, Transpacific, Hawaii, Australian, selected South American cruises and other selected cruises.

For the purposes of this policy, any cruise that has 3 or more days consecutive at sea will require infants to be 12 months old on the first day of the cruise/cruise/our.

The health and safety of our guests is our number one priority. As such, in consideration of the limitations of the shipboard medical facility, equipment and staff, the company cannot accept waivers, releases or requests for exceptions to this policy.

4.4 WHAT ABOUT ADVANCED OR DELAYED SAILINGS AND CHANGES IN THE ITINERARY?

We regret we cannot guarantee that ships will call at every advertised port or follow every part of the advertised itinerary. We and the Master of the ship have the right to omit any port(s), call at any additional port(s), deviate from the advertised itinerary in any way or substitute another ship or port. In addition, we will not be responsible for any failure to meet the arrival or departure times shown in this brochure for any port(s) of call. Normally, changes in the itinerary are to protect the interest and safety of our guests. Please also see clause 4.5.

Changes to the last confirmed itinerary for your cruise may become necessary after you have departed for a variety of reasons such as prevailing weather and sea conditions, guest emergencies, providing assistance to other vessels and the ship being unable to operate at its normal speed(s) due to unexpected mechanical or technical problems. We will of course do our best to avoid any changes which will have a significant detrimental effect on your last confirmed itinerary. However, we cannot accept any liability in respect of any changes which result from circumstances outside our control (see clause 4.12) or which do not have a significant detrimental effect.

4.5 CAN YOU CHANGE OR CANCEL MY CRUISE?

Occasionally, we have to make changes to and correct errors in the brochure and other details both before, and after, bookings have been confirmed and, even more rarely, cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, we will offer you the choice of the following options:

- (a) (for significant changes) accepting the changed arrangements, or
- (b) purchasing an alternative holiday from us, of a similar standard to that originally booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If this holiday is in fact cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other then available holidays. You must pay the applicable price of any such holiday. This will mean you're paying more if it is more expensive or receiving a refund if it is cheaper.
- (c) cancelling or accepting the cancellation in which case you will receive a full and quick refund of all monies you have paid to us.

Please note, the above options are not available where any change made is a minor one.

4.6 WHAT IS A SIGNIFICANT CHANGE?

A significant change is a change to your confirmed holiday which we can reasonably expect will have a significant effect on it. Examples of significant and minor (defined below) changes are as follows:

Significant change: A change from two days port of calls to two days sailing instead.

Minor change: A change from one port of call to another; A change from one day's port of call to one day's sailing;

A change in timings for any port(s) of call but the ship still calls at all confirmed ports; A change in order of ports that are visited.

Very rarely, we may be forced by "force majeure" (see clause 4.12) to change or terminate your holiday after departure but before the scheduled end of your time away. This is extremely unlikely but if this situation does occur, we regret we will be unable to make any refunds (unless we obtain any refunds from our suppliers), pay you any compensation or meet any costs or expenses you incur as a result.

4.7 CAN YOU REFUSE TO ALLOW ME TO TRAVEL?

If, in our reasonable opinion or the reasonable opinion of the ship's Master or doctor, you are or appear to be unfit to travel for any reason or a risk or danger to yourself or a danger to others or behave in such a way as to cause or likely to cause danger, upset or distress to any third party or danger to property. In this situation, we are entitled without prior notice to refuse to allow you to travel on any ship and to terminate your cruise holiday at any time. You may then be left at any port or place at which the ship calls without our incurring any liability. You will have to pay any costs, expenses or losses suffered as a result, and we will not pay any compensation or give you any refund. Once your holiday has been terminated in this manner, we will not have any further responsibility towards you. To ensure a healthy sailing, we may also request that guests, who arrive at check in and are showing symptoms of gastrointestinal type illness or other illnesses that spread easily from person to person, may be asked following consultation with our medical staff to reschedule their cruise.

The same right to refuse to allow you to travel or to use any services applies where you are or appear to be unfit to travel or otherwise behave badly as set out above during any other part of your holiday.

If you have failed to give proper notice of any physical or mental disability or condition in accordance with clause 3.2 (including informing us of any change or deterioration in any notified disability or condition) which will or may require care beyond that which any travelling companion or we ourselves can reasonably provide, we are entitled to refuse to allow you to travel. However, at our discretion, the cruise only fare will be refunded. Please also see clause 1.3.

On every Royal Caribbean International ship, we are committed to providing every guest with a cruise holiday that is excellent. To further ensure that you and your fellow guests receive exactly that, we have developed a set of Guest Behaviour Policies; which are available on board. IMPORTANT: A violation of Royal Caribbean International Guest Behaviour Policies are cause for appropriate corrective action, including confiscation of improper materials or items and ejection of the guest from the vessel. These policies are subject to change without notice and without liability to Royal Caribbean International. Royal Caribbean International is free to adopt additional rules not stated in these policies.

4.8 WHAT HAPPENS IF I HAVE A COMPLAINT?

In the unlikely event you have a reason to complain whilst away, you must immediately notify the Guest Relations Desk onboard ship and the supplier of the service(s) in question (if not us). This is to ensure that we are given the opportunity to address and to attempt to resolve any issue you raise. Any verbal complaint must be put in writing and given to the supplier and us as soon as possible. If a problem cannot be resolved to your satisfaction and you wish to follow this up you must write to us on your return to the address below. You must give your booking reference number and full details of your complaint within 28 days of your return from holiday unless a different time limit applies to your claim – see clause 2.1, 2.3, 2.4 and 4.9. We will only accept complaints from the lead name of a booking. If your complaint is written on behalf of other members of your travelling party, their full names and booking reference numbers must be clearly stated in the correspondence together with their authority for you to handle the complaint on their behalf. If you fail to follow this simple complaints procedure, your right to claim the compensation you may otherwise have been entitled to may be affected or even lost as a result.

Any dispute between us which cannot be settled by agreement may be dealt with under a special arbitration scheme. This is simple and

inexpensive. It is based on documents only and there is a maximum amount of costs which you will or may have to pay.

This arbitration scheme is not available, however, if you wish to claim an amount greater than €1,800.00 per person or €8,400.00 per booking form or if your claim is solely or mainly about physical injury or illness or the consequences of such injury or illness. If you do not wish to go to arbitration, you may go to Court. We both agree that any dispute or claim will be dealt with by a court located in Miami, Florida, USA, to the exclusion of the courts of any other state, territory or country.

We can only pay you compensation if the following conditions are met:

- If asked to do so, the person(s) affected must transfer to us any rights they have against the supplier or whoever else is responsible for your claim and complaint.
- The person(s) affected must agree to cooperate fully with us and our insurers if we or our insurers want to enforce any rights transferred to us.

4.9 WHAT IS YOUR LIABILITY TOWARDS GUESTS?

(1) Subject to clause 5.8 below we promise to make sure that the holiday arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these booking conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted holiday arrangements are not provided as promised or prove deficient as a result of the failure of ourselves, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted holiday arrangements. Please note it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

(2) We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- The act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- The act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable or
- "force majeure" as defined in clause 4.12

Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses.

Please note, we cannot accept responsibility for any services, which do not form part of our contract. This includes, for example, any additional services or facilities, which your hotel or any other supplier agrees to, provide for you where the services or facilities are not advertised in our brochure, and we have not agreed to arrange them. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you. The promises we make to you about the services we have agreed to provide or arrange as part of our contract – and the laws and regulations of the country in which your claim or complaint occurred – will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This will be the case even if the services did not comply with the laws and regulations of the US, which would have applied had those services been provided in the US. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question.

4.10 WHAT IS YOUR LIMIT OF LIABILITY TOWARDS GUESTS?

Please note: The provisions of the Convention relating to the Carriage of Passengers and their luggage by sea 1974 as supplemented and/or varied by any other applicable legislation from time to time in force including, but not limited to Regulation (EC) No 392/2009 which implements the Athens Protocol 2002 ("The Athens Convention") apply to your cruise as well as the process of getting on and/off the ship. For any claim involving death or personal injury or delay of or loss of or damage to luggage the only liability we have to you is in accordance with The Athens Convention. This means you are not entitled to make any claim against us which is not expressly permitted by The Athens Convention or which is in excess of the limits provided by The Athens Convention. Any claims covered under The Athens Convention must be made within the time limits set out in The Athens Convention. The Athens Convention limits the maximum amount we as the carrier have to pay if found liable in the event of death or personal injury or loss or damage to luggage and makes special provision for valuables. For claims concerning luggage and valuables, please see other clauses of these terms and conditions. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, rail or road carrier or any stay in a hotel, the maximum amount of compensation we will have to pay will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is, except as otherwise expressly set out in the Booking Conditions, the most the carrier or hotel keeper concerned would have to pay under the International Convention or Regulation which applies to the travel arrangements or hotel stay in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air). Please note: Where a carrier or hotel would not be obliged to make any payment to you under the applicable International Convention or Regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question. Copies of the applicable International Conventions and Regulations are available from us on request.

For guests making bookings which involve cruise itineraries where the place of departure or destination is a member state of the European Union, we limit our liability to you for death and personal injury or loss or damage to luggage in accordance with The Athens Convention. In summary, the current maximum limits that apply under the Athens Convention in the event of our liability for death or personal injury caused by a shipping incident is 250,000 special drawing rights (SDRs) unless such is caused by an act of war, natural phenomenon, civil war, terrorism or any other exception set out in The Athens Convention. Where we are found to have been negligent this limit is increased to 400,000 SDRs. The limit of our liability for death and personal injury for non - shipping incidents is limited to 400,000 SDRs. In the event of our liability for damage and loss to baggage, where baggage is deposited with the ship, this is limited to 3,375 SDRs and for damage and loss to cabin luggage this is limited 2,250 SDRs. For more information on your rights please contact us.

4.11 WHAT IS MY LIABILITY?

You must ensure that you are using an up-to-date brochure when you book your cruise. We cannot accept any liability whatsoever for any mistakes or any incorrect/inaccurate information which results from the use of any out-of-date brochure. It is your responsibility to ensure that you and everyone travelling with you have all necessary passports, visas and all other travel documents and that these are valid and in order.

4.12 WHAT ABOUT CIRCUMSTANCES WHICH ARE TOTALLY OUTSIDE YOUR CONTROL?

Except where we specifically say otherwise in these terms and conditions, we cannot accept any liability or pay any compensation where your cruise or any other services we have promised to arrange or provide cannot be provided at all or as promised as a result of circumstances which are totally outside our control ("force majeure"). When we talk about circumstances which are totally outside our control, we mean any event which we or the supplier of the service in question could not have predicted or avoided even after taking all reasonable care. Such events are likely to include war or threat of war, acts of terrorists or threats of such acts, riots or civil unrest, industrial action, natural or nuclear disaster, fire, adverse weather conditions, health risks, epidemics, mechanical difficulties (which we could not have anticipated or avoided despite our normal comprehensive mechanical checks) and all similar circumstances which are outside our control.

4.13 WHAT OTHER CONDITIONS APPLY TO MY CRUISE?

Airlines and our other suppliers have their own conditions which will apply to your cruise. Some of these conditions may limit or exclude the airlines or other suppliers liability to you, often in accordance with international conventions. Copies of the relevant parts of these conditions are available on request.

4.14 PRICE AND BROCHURE ACCURACY

Royal Caribbean's policies and procedures are constantly evolving. At the time of printing, all those listed in this brochure were correct. Please note: The information and prices shown in this brochure may have changed by the time you come to book your cruise. Whilst every effort is made to ensure the accuracy of the brochure and prices at the time of printing, regrettably errors do

occasionally occur. You must therefore ensure that you check all details of your chosen cruise with your travel agent at the time of booking.

4.15 SHORE EXCURSIONS AND ACTIVITIES

The information contained in our brochure is correct to the best of our knowledge at the time of the brochure going to print. Our brochure descriptions may refer to activities that are available in the ports you are visiting. We have no responsibility for any such activities, which are neither run, supervised nor controlled in any way by us. These activities are provided by local operators who are entirely independent of us and we act as the agent for these operators. They do not form any part of your contract with us even where we suggest particular operators/centres and/or assist you in booking such activities in any way. Accordingly, we cannot accept any liability in relation to such activities and the acceptance of liability contained in section 5.7 of our booking conditions will not apply to them. We cannot guarantee accuracy at all times of information given in relation to such activities or about the resorts/area you are visiting generally (except where this concerns the services which will form part of your contract) or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control. If you feel that any of the activities mentioned in our brochure, which are not part of our contract, are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to resorts/area information and or such outside activities, which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of the booking. Please note: Special arrangements for those guests with reduced mobility or disability may be available on certain shore excursions that have been risk assessed as suitable. For details including any cost consequences for making those special arrangements, please email shoreaccess@rcci.com with details of any special requirements. Where applicable, please also provide wheelchair/ scooter dimensions, weight and battery type. Tours involving flights, special events, overland and hotel stays can result in costs to us and may be subject to a cancellation fee.

4.16 WHAT ABOUT SECURITY?

Royal Caribbean International's highest priority is to ensure the safety and security of all guests. In order to maintain an effective and meaningful security environment and to comply with international and national security laws, regulations and guidelines, Royal Caribbean has established strict security procedures in the seaport terminals we utilize and onboard all our vessels. These measures include screening all guests and their personal property prior to boarding. We appreciate your cooperation in this endeavor.
